The image shows the back of a black Zebra ZC300 handheld barcode scanner. The device is positioned vertically against a light blue background. A yellow ruler is placed horizontally below the scanner, showing measurements in inches (0 to 12) and centimeters (0 to 30). The scanner's back features a large black battery cover with a Zebra logo, a QR code, and a label with technical specifications. Above the battery cover is a white label with a barcode and the text "ZEBRA". The top of the device has a small display screen and a barcode scanner window. The overall design is compact and rugged.
