

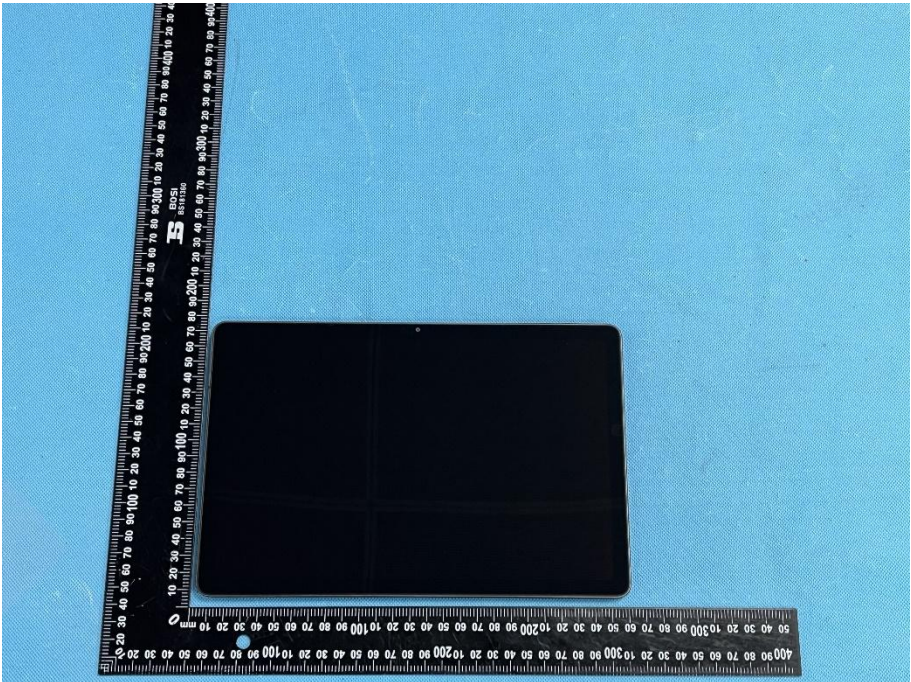

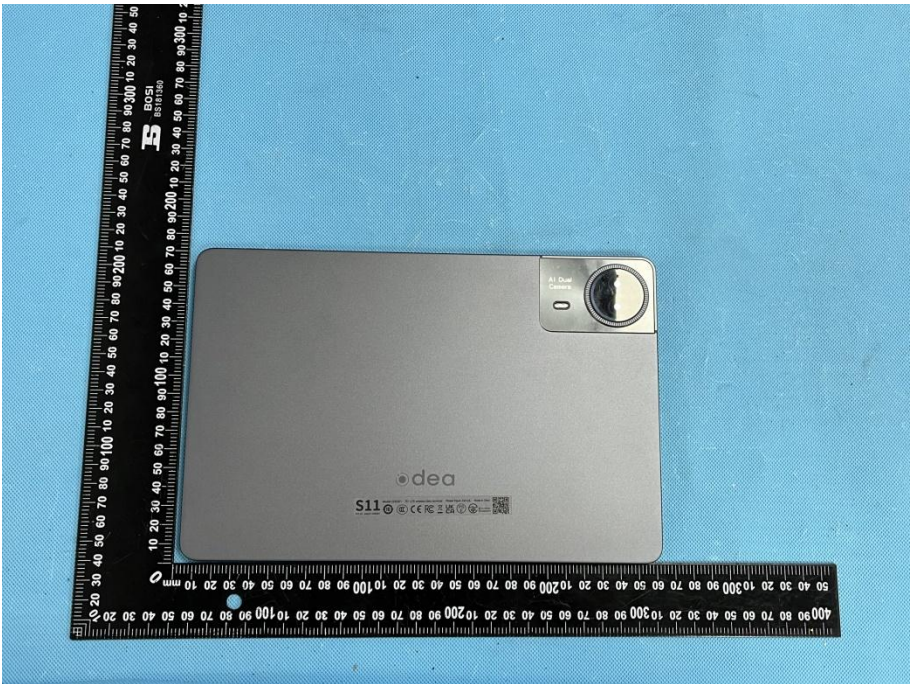

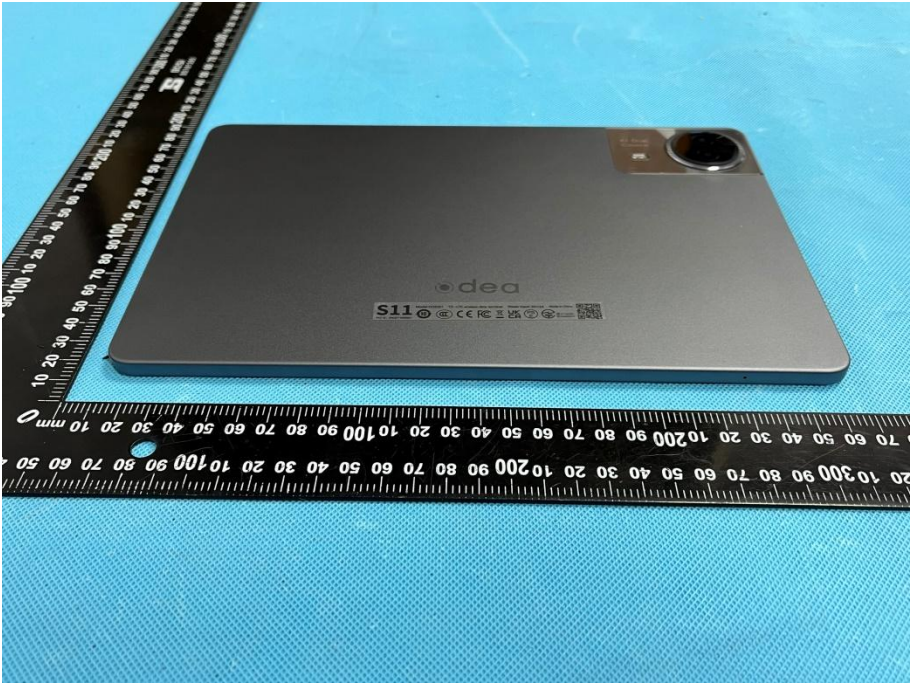

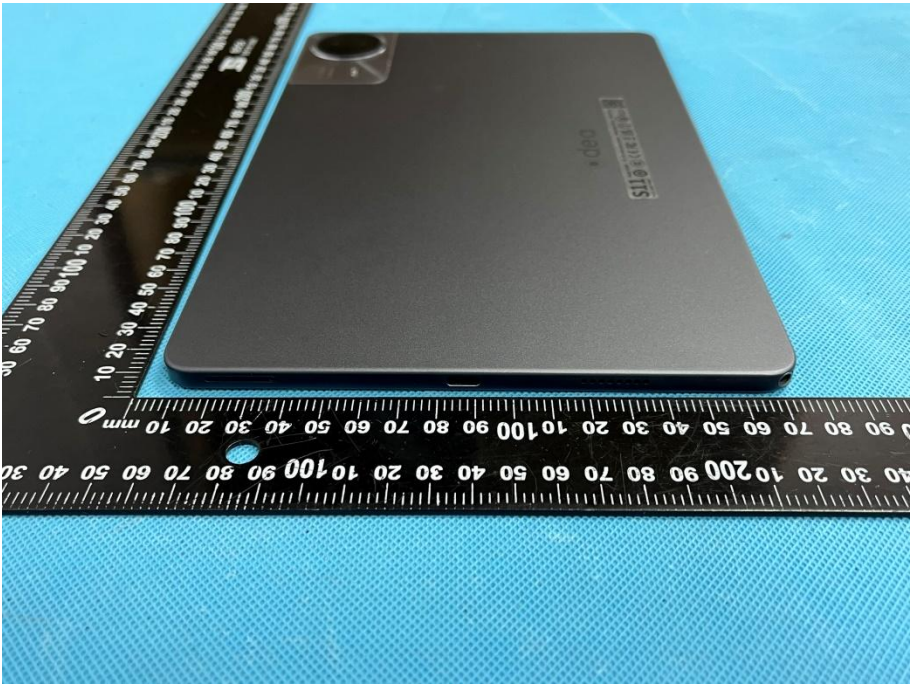

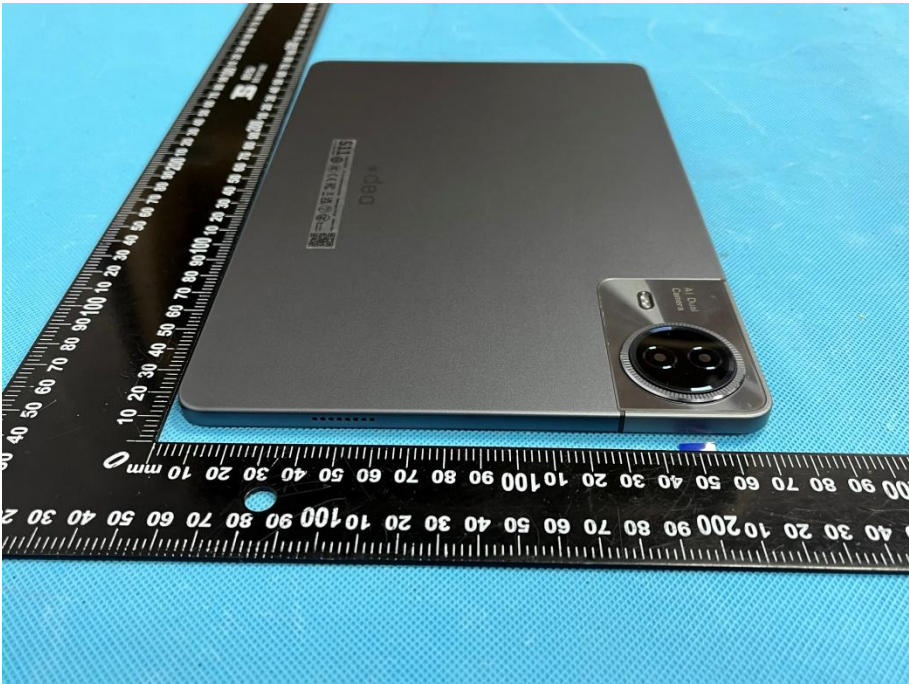

EXHIBIT 2 - EUT EXTERNAL PHOTOGRAPHS

EUT View 1	 A photograph showing the front of a black smartphone. The screen is dark and reflects light. A black ruler with white markings is placed vertically to the left of the phone, showing measurements in centimeters and millimeters. The phone is centered horizontally relative to the ruler.
EUT View 2	 A photograph showing the back of a silver smartphone. The back cover has a silver camera module in the top right corner with a lens and a flash. The text "idea" and "S11" are visible on the back cover. A black ruler with white markings is placed vertically to the left of the phone, showing measurements in centimeters and millimeters. The phone is centered horizontally relative to the ruler.

EUT View 3	 A photograph showing the back of a dark grey smartphone. The phone is placed on a blue textured surface. A black ruler with white markings is positioned horizontally below the phone. The phone's back features a circular camera lens in the top right corner, the 'dea' logo in the center, and a small rectangular label with 'S11' and other markings near the bottom center.
EUT View 4	 A photograph showing the side of a dark grey smartphone. The phone is placed on a blue textured surface. A black ruler with white markings is positioned horizontally below the phone. The side of the phone shows a circular camera lens in the top right corner and a small rectangular label with 'S11' and other markings near the bottom center.

EUT View 5	 A photograph showing the back of a dark grey smartphone. The phone is positioned horizontally on a blue textured surface. A black ruler with white markings is placed vertically to the left of the phone, with the 0 mark aligned with the top edge of the phone. The phone's camera module is visible in the bottom-left corner, featuring a circular lens and the text "AI Dual Camera". A small white label with a barcode and the number "115" is located near the top center of the phone's back.
EUT View 6	 A photograph showing the back of the same dark grey smartphone, oriented vertically. The phone is placed on the same blue textured surface. A black ruler with white markings is placed horizontally below the phone, with the 0 mark aligned with the bottom edge of the phone. The camera module is now in the bottom-right corner. The same white label with a barcode and the number "115" is visible near the top center.
