**Test Positions**

Left Cheek	 A close-up view of a smartphone mounted on a white tripod. The phone is positioned horizontally, facing towards the left. The background is a plain, light-colored wall.	Left Tilt 15 Degree	 A close-up view of the same setup as above, but the phone is tilted upwards at approximately a 15-degree angle from the horizontal.
Right Cheek	 A close-up view of the smartphone and tripod from the opposite side, showing the right cheek position. The phone is horizontal and facing towards the right.	Right Tilt 15 Degree	 A close-up view of the setup from the right cheek position, with the phone tilted upwards at approximately a 15-degree angle.
Front Side (Separation distance of 10mm)	 A view of the smartphone and tripod from the front, with a white rectangular object placed between them to indicate a separation distance of 10mm.	Back Side (Separation distance of 10mm)	 A view of the smartphone and tripod from the back, with a white rectangular object placed between them to indicate a separation distance of 10mm.
