

7/27/2020

To whom it may concern,

Polaris is seeking an original certification under FCC Part 15.247 for the RC-7W digital gauge.

FCC ID: 2AOW7-P002

Contains: FCC ID Z64-2564N (Bluetooth), FCC ID Z64-WL18DBMOD (Bluetooth, Wifi)

The RC-7W is a digital gauge display for power sports vehicles. It mounts directly to a vehicle and is powered from the vehicle battery. It supports both Bluetooth and WIFI connectivity, and contains a GPS receiver and a long-range LORA radio for communicating with ride partners.

Sincerely,

Travis Chambers
