SUBJECT: NASACO ELECTRONICS' APPLICATION FOR CERTIFICATION
FOR CHANGE IN FCC ID FOR THEIR FCC ID: LLP-5PLUS1

To Whom It May Concern:

Enclosed you will find an application for certification for NASACO ELECTRONICS' FCC ID: LLP-5PLUS1. This transmitter is identical to the previously applied for and granted FCC ID: CLVAW2000 which was approved for Recoton Corp. Recoton Corp. has given Nasaco Electronics' their permission to multiple list against their approved product. The only differences between the units are the applicant and the FCC Identifiers.

Should you have any questions with regards to this application or need any further information, please feel free to contact me.

Sincerely,

A handwritten signature in blue ink, appearing to read 'Sharon Hoffman', is written over a faint, light blue rectangular background.
