## Warranty

We hope your BeeLine works like a dream!  
If it doesn't and it's our fault, we'll make it  
right anytime within 12 months of purchase.  
Drop us an email at [info@beeline.co](mailto:info@beeline.co) telling  
us what's gone wrong and we'll help to get  
it fixed or replaced. We will just have to look  
at it first to make sure you haven't taken  
it scuba diving or fed it to your dog etc.

Drop in: K.308 the Biscuit Factory,  
100 Drummond Road,  
London SE16 4DG, England

## FCC STATEMENT:

This device complies with Part 15 of the FCC Rules.  
Operation is subject to the following two conditions:  
(1) This device may not cause harmful interference, and  
(2) This device must accept any interference received,  
including interference that may cause undesired operation.  
**Warning:** Changes or modifications not expressly  
approved by the party responsible for compliance could  
void the user's authority to operate the equipment

NOTE: This equipment has been tested and found to  
comply with the limits for a Class B digital device, pursuant  
to Part 15 of the FCC Rules. These limits are designed to  
provide reasonable protection against harmful interference  
in a residential installation. This equipment generates uses  
and can radiate radio frequency energy and, if not installed  
and used in accordance with the instructions, may cause  
harmful interference to radio communications.

## FCC STATEMENT continued:

However, there is no guarantee that interference will not  
occur in a particular installation. If this equipment does  
cause harmful interference to radio or television reception,  
which can be determined by turning the equipment off and  
on, the user is encouraged to try to correct the interference  
by one or more of the following measures:  
- Reorient or relocate the receiving antenna.  
- Increase the separation between the equipment and  
receiver.  
- Connect the equipment into an outlet on a circuit different  
from that to which the receiver is connected.  
- Consult the dealer or an experienced radio/TV technician  
for help.
