

EXHIBIT 4 - TEST SETUP PHOTOGRAPHS

Conducted Emission Test Setup	 A photograph of a conducted emission test setup. On the left, a white test chamber is connected to a power supply unit on the floor via a thick orange cable. To the right, a wooden table holds a laptop displaying a graph, a notebook, and other small electronic components. The background shows a wall with electrical outlets and a yellow and black striped safety barrier.
Radiation Emission Test Setup (Below 30MHz)	 A photograph of a radiation emission test setup. A white test chamber is placed on a black circular base within a large, dark metal frame. The room's walls are covered with white, cross-shaped electromagnetic wave absorbers. The floor is marked with blue and yellow safety tape. A computer monitor is visible on the right side of the room.

**Radiation Emission
Test Setup (Above18GHz)**
