**IC WARNING**  
 This device contains licence-exempt transmitter(s)/receiver(s) that comply with Innovation, Science and Economic Development Canada's licence-exempt RSS(s). Operation is subject to the following two conditions:  
 (1) This device may not cause interference.  
 (2) This device must accept any interference, including interference that may cause undesired operation of the device (IC: 25466-WEIBLK).

L'émetteur/récepteur exempt de licence contenu dans le présent appareil est conforme aux CNR d'Innovation, Sciences et Développement économique Canada applicables aux appareils radio exempts de licence. L'exploitation est autorisée aux deux conditions suivantes :  
 (1) L'appareil ne doit pas produire de brouillage;  
 (2) L'appareil doit accepter tout brouillage radioélectrique subi, même si le brouillage est susceptible d'en compromettre le fonctionnement (IC: 25466-WEIBLK).

**GET STARTED**

- Download the Wyze App and sign in or create an account.

- Open the Wyze App. Tap the + plus sign, then Add Device. On the Add Device screen, tap Lifestyle then Wyze Buds. Follow the instructions in the App to complete setup.

- You're all set. Enjoy your Wyze Buds!

**FIT**

Place the earbuds into your ears and twist forward slightly until it feels secure. Try different sizes of ear tips to find the best fit.

**AMBIENT SOUND**

Tap and hold the touch area to toggle on/off Ambient Sound to hear your surroundings.

**PAIR BLUETOOTH**

Place the earbuds in the charging case and leave the case lid open. Press the Bluetooth Pairing button on the back of the charging case until the LED light inside the case starts blinking.

**CONTROL MUSIC, CALLS, VOICE ASSISTANT**

Check the Wyze App for detailed instructions on how to control your Wyze Buds.

**BATTERY STATUS**

Place the earbuds in the charging case. The lights on the case indicate the battery levels for both the earbuds and the case.

**CHARGING**

Your earbuds charge whenever they're in the charging case. 15 minutes in the case provides up to 2 hours of listening time. Charge the case via the USB-C charging cable included.

**FACTORY RESET**

NOTE: This equipment has been tested and found to comply with the limits for a Class B digital device, pursuant to part 15 of the FCC Rules. These limits are designed to provide reasonable protection against harmful interference in a residential installation. This equipment generates uses and can radiate radio frequency energy and, if not installed and used in accordance with the instructions, may cause harmful interference to radio communications. However, there is no guarantee that interference will not occur in a particular installation. If this equipment does cause harmful interference to radio or television reception, which can be determined by turning the equipment off and on, the user is encouraged to try to correct the interference by one or more of the following measures:

- To factory reset the earbuds, press and hold the Bluetooth Pairing button on the back of the case for 15 seconds.
- To clear the Bluetooth device list without resetting the earbuds, press and hold the Bluetooth Pairing button on the back of the case for 8 seconds.

**FCC WARNING**

This device complies with part 15 of the FCC Rules. Operation is subject to the following two conditions: (1) This device may not cause harmful interference, and (2) this device must accept any interference received, including interference that may cause undesired operation.

- Reorient or relocate the receiving antenna.
- Increase the separation between the equipment and receiver.
- Connect the equipment into an outlet on a circuit different from that to which the receiver is connected.
- Consult the dealer or an experienced radio/TV technician for help.

Any changes or modifications not expressly approved by the party responsible for compliance could void the user's authority to operate the equipment.

**TO OPERATE THE EQUIPMENT**

The device has been evaluated to meet general RF exposure requirement.

FCC ID:2AUUWE1BLK

WARNING: This product can expose you to chemicals including Bisphenol A, which is known to the State of California to cause birth defects or other reproductive harm. For more information go to www.P65Warnings.ca.gov.

**NOTICE**

NOTE: This equipment has been tested and found to comply with the limits for a Class B digital device, pursuant to part 15 of the FCC Rules. These limits are designed to provide reasonable protection against harmful interference in a residential installation. This equipment generates uses and can radiate radio frequency energy and, if not installed and used in accordance with the instructions, may cause harmful interference to radio communications. However, there is no guarantee that interference will not occur in a particular installation. If this equipment does cause harmful interference to radio or television reception, which can be determined by turning the equipment off and on, the user is encouraged to try to correct the interference by one or more of the following measures:

- To factory reset the earbuds, press and hold the Bluetooth Pairing button on the back of the case for 15 seconds.
- To clear the Bluetooth device list without resetting the earbuds, press and hold the Bluetooth Pairing button on the back of the case for 8 seconds.
