A QUICK LOOK

CHARGING

1. Use included USB charging cable for a PVRFL USB plug and a standard USB plug.

2. Insert the PVRFL USB plug into the charging port on the headphones.

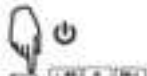

3. Insert the standard USB plug into the USB port of a computer or suitable USB charging adapter.

4. The LED indicator will turn on while the headphones are charging and turn off when charging is complete.

BLUETOOTH PAIRING

1. Slide the power switch on the left to turn the headphones ON.

2. The LED indicator will alternately flash red and blue indicating the headphones are in pairing mode.

3. Go to the Bluetooth settings on your phone. Turn Bluetooth on and connect to PVRFL007.

4. The LED indicator will slowly flash blue indicating the headphones are paired with your phone.

USING YOUR HEADPHONES

1. Press the Play button to play and pause music.

2. Press the Play button to answer and end a phone call. Press and hold for two seconds to reject a phone call. Quickly press twice to redial.

3. Press the Next/Previous button to go to the next track. Press and hold to increase the volume.

4. Press the Previous/Next button to go to the previous track. Press and hold to decrease the volume.

IMPORTANT SAFETY PRECAUTIONS

1. READ ALL INSTRUCTIONS BEFORE USING YOUR HEADPHONES.
2. Do not use your headphones near water. Do not place your headphones on any wet surface.
3. Do not allow children to use the headphones without adult supervision.
4. Do not expose your headphones to excessive heat, flames or fire.
5. Always press all buttons carefully.
6. Do not use or store your headphones excessively as this is likely to cause damage during usage.
7. Do not expose your headphones to temperatures above 120°F (49°C). Keep out of direct sunlight.
8. Do not attempt to repair this product yourself. Contact qualified service center if your headphones are in need of service.
9. Do not drop, submerge or expose your headphones to excessive moisture.
10. Your headphones are not intended for commercial use.
11. Use only the supplied charging cable. Using this device other than as intended for long periods of time.
12. Use a soft cloth to clean your headphones. Never use any harsh chemicals or detergents.
13. Please recycle or dispose of your headphones properly based on the law and rules of your municipality. Contact local recycling facilities and/or the manufacturer of your headphones for further information.

VIVITAR ONE YEAR WARRANTY

This warranty covers the original consumer purchase only and is not transferable.

This warranty covers products that fail to function properly (PROOF POSITIVE USAGE) due to defect in material or workmanship. Your product will be repaired or replaced at no charge for parts or labor for a period of one year.

What Is Not Covered by Warranty

Damage or malfunctions not resulting from defects in material or workmanship and damages or malfunctions from other than normal use, including but not limited to, repair by unauthorized parties tampering, modification or accident.

To Obtain Warranty Service and Troubleshooting Information

Call 1-800-892-9966 in the U.S. or 1-800-892-9966 in the U.S. or visit our website at www.vivitar.com.

To receive warranty service along with the name and address of an authorized product service center, the original consumer purchase must be shown as the product is returned. Proof of purchase in the form of bill of sale is required before proceeding. The product is returned within the applicable warranty period. Proof of purchase is required in order to obtain the required service. It is your responsibility to properly package and send any defective products along with a dated copy of proof of purchase, a written explanation of the problem, and a self-addressed return to the authorized service center at your expense. Do not include any other items or accessories with the defective product. Any products shipped by the authorized service center that are not covered by warranty will be returned unopened.

FCC STATEMENT

Changes or modifications not expressly approved by the party responsible for compliance could void the user's authority to operate the equipment.

This device complies with Part 15 of the FCC Rules. Operation is subject to the following two conditions: (1) this device may not cause harmful interference, and (2) this device must accept any interference received, including interference that may cause undesired operation.

This equipment has been tested and found to comply with the limits for a Class B digital device pursuant to Part 15 of the FCC Rules. These limits are designed to provide reasonable protection against harmful interference in a residential environment. This equipment generates, uses and can radiate radio frequency energy and, if not used in accordance with the instructions, may cause harmful interference to radio communications. However, there is no guarantee that interference will not occur in a particular installation.

If this equipment does cause harmful interference to radio or television reception, which can be determined by turning the equipment off and on, the user is encouraged to try to correct the interference by one or more of the following measures:

- Reorient or relocate the receiving antenna.
- Increase the separation between the equipment and receiver.
- Connect the equipment into an outlet on a circuit different from that to which the receiver is connected.
- Consult the dealer or an experienced radio/TV technician for help.
