USER MANUAL

Packing List

- Package Contents:
- 1.Microphone Transmitter x2
 - 2.Receiver x2
 - 3.Charging Case x1
 - 4.Charging Cable x1
 - 5.User Manual x1

Note:
This product is a smart wireless microphone that provides professional-grade recording output.Plu and play,no app required.

Product Overview

- ① Pickup Microphone
- ② Windproof net /MIC
- ③ Microphone clip
- ④ Power button of microphone
- ⑤ Function button
- ⑥ Charging pin
- ⑦ Type-c charging port of microphone
- ⑧ Indicator light of microphone
- ⑨ Lightning port to connect phone
- ⑩ Type-c port to connect phone
- ⑪ Receiver charging port
- ⑫ Indicator light of receiver
- ⑬ Battery indicator light of case
- ⑭ Type-c charging port of case

How to use

Step1: Connect the receiver to phone with port. the indicator light is flash blue

Step2: Press power buton of microphone.the indicator light flashes blue and redalternately.means the microphone is turned on

Step3: After receiver connected with transmitter,the indicator blue light of receiver and indicator blue and red light of transmitter keeps always on, then open the phone camera, live APP or other APPs, and then to use the microphone to receive sound.

Special Note:
For the use of port: there is no battery in receiver,and no need to recharge during live. If the phone is low power during live, it can be recharged directly through the receiver's port.

How to charging

1. Charging the case:Use the type-c charging cable (provided) to connect your computer (with power on) or an adapter (not provided) to your charging case. The display flashes single-digit numbers while charging.

2. Charging the Microphone Transmitter: A. Put the microphone transmitter into the charging case and close the case.The charge case indicator number lights up and the corresponding battery symbol flashes.

B.Use the type-c charging cable (provided) to connect your computer (with power on) or an adapter (not provided) to your microphone transmitter. The red light is always on and light off after fully charged.

About UI

Specification

Frequency:2.4Ghz Digital Frequency
Frequency response:20Hz-20kHz
Sampling frequency:48kHz
Transmission range:up to 20m(w/o any obstacle)
Signal to noise ratio:≥75dB
Sensitivity:~38dB±3dB
Battery capacity:140mAh(Transmitter)
500mAh(Charging case)
Working duration:up to 7h
Interface:USB-C
Weight:95G
Dimension:83*32*61MM

FCC Warning:

This equipment has been tested and found to comply with the limits for a Class B digital device, pursuant to part 15 of the FCC Rules. These limits are designed to provide reasonable protection against harmful interference in a residential installation. This equipment generates, uses and can radiate radio frequency energy and, if not installed and used in accordance with the instructions, may cause harmful interference to radio communications. However, there is no guarantee that interference will not occur in a particular installation. If this equipment does cause harmful interference to radio or television reception, which can be determined by turning the equipment off and on, the user is encouraged to try to correct the interference by one or more of the following measures:

- Reorient or relocate the receiving antenna.
- Increase the separation between the equipment and receiver.
- Connect the equipment into an outlet on a circuit different from that to which the receiver is connected.
- Consult the dealer or an experienced radio/TV technician for help.

Caution: Any changes or modifications to this device not explicitly approved by manufacturer could void your authority to operate this equipment.

This device complies with part 15 of the FCC Rules. Operation is subject to the following two conditions:

(1) This device may not cause harmful interference, and (2) this device must accept any interference received, including interference that may cause undesired operation.

This equipment complies with FCC radiation exposure limits set forth for an uncontrolled environment. This equipment should be installed and operated with minimum distance 0cm between the radiator and your body.
