Agent	Rod Munro
Approval Type	Original
Equipment Class	PCB - PCS Licensed Transmitter
Rule Part	22/24

Industry Canada Information

Model	
Industry Canada ID	
Rule Part	

Overview

See Grantee provided cover letter.

The applicant is making application using a radio that has been previously approved. Those items that are affected have been addressed in this application. Those items that have not been changed or affected are taken at face value as approved items. However, the test reports supporting that previous approval have been included in this filing for reference.

Recommendation

All items have been resolved and completed to my satisfaction; therefore I recommend this application for approval.
