Federal Communications Commission
Office of Engineering and Technology
7435 Oakland Mills Road
Columbia, Maryland 21046

We, Cardiac Pacemakers, Inc. (a wholly owned subsidiary of Boston Scientific Corporation), located at 4100 Hamline Avenue North, Arden Hills, MN 55112-5798, hereby respectfully request that under the provision of section 0.457(d) and 0.459 of the FCC Rules, the documents listed below and attached with this application for certification be provided with confidential status.

- Schematics
- Operational Description
- Frequency Block Diagram
- Internal Photos

Any exhibit/information for which we have requested confidentiality, but which may not be accorded such treatment by the FCC, should be returned to us.

The documents listed above contain trade secrets and proprietary information that are not customarily released to the public. This information is highly confidential and pertains to the design and manufacture of implanted medical devices, which are regulated by the FDA. The public disclosure of this information could result in substantial competitive harm to us and unjustified benefits to our competitors. For at least these reasons, we are requesting the confidential treatment of this information.

Sincerely,

James Kippola
