<div>SERVICE À LA CLIENTÈLE</div> <div>1-855-688-7269</div> <div>É.-U. + Canada - Gratuit</div> <div>support@otterbox.com</div> <div>otterbox.com/support</div> <div>Cet appareil est conforme à la section 15 des réglementations de la FCC. Son fonctionnement est soumis aux deux conditions suivantes :</div> <div>(1) cet appareil ne doit pas causer d'interférences nuisibles ; (2) cet appareil doit accepter toute interférence reçue, notamment les interférences susceptibles d'occasionner un fonctionnement indésirable.</div>	<div>g) Do not use the power bank that is damaged or modified. Damaged or modified batteries may exhibit unpredictable behavior resulting in fire, explosion or risk of injury.</div> <div>h) Do not disassemble the power bank. Take it to a qualified service person when service or repair is required. Incorrect reassembly may result in a risk of fire or injury to persons.</div> <div>i) Do not expose a power pack to fire or excessive temperature. Exposure to fire or temperature above 100°C may cause explosion. The temperature of 100°C can be replaced by the temperature of 212°F.</div> <div>j) Have servicing performed by a qualified repair person using only identical replacement parts. This will ensure that the safety of the product is maintained.</div> <div>k) Switch off the power bank when not in use.</div> <div>SAVE THESE INSTRUCTIONS</div>	<div>– Increase the separation between the equipment and receiver.</div> <div>– Connect the equipment into an outlet on a circuit different from that to which the receiver is connected.</div> <div>– Consult the dealer or an experienced radio/TV technician for help.</div> <div>ISED compliance statement</div> <div>This device contains licence-exempt transmitter(s)/receiver(s) that comply with Innovation, Science and Economic Development Canada's licence-exempt RSS(s). Operation is subject to the following two conditions:</div> <div>(1) This device may not cause interference.</div> <div>(2) This device must accept any interference, including interference that may cause undesired operation of the device.</div> <div>L'émetteur/récepteur exempt de licence contenu dans le</div>
<div>INSTRUCTIONS PERTAINING TO RISK OF FIRE OR INJURY TO PERSONS</div> <div>IMPORTANT SAFETY INSTRUCTIONS</div> <div>WARNING – When using this product, basic precautions should always be followed, including the following:</div> <div>a) Read all the instructions before using the product.</div> <div>b) To reduce the risk of injury, close supervision is necessary when the product is used near children.</div> <div>c) Do not put fingers or hands into the product.</div> <div>d) Do not expose power bank to rain or snow.</div> <div>e) Use of a power supply or charger not recommended or sold by power pack manufacturer may result in a risk of fire or injury to persons.</div> <div>f) Do not use the power bank in excess of its output rating. Overload outputs above rating may result in a risk of fire or injury to persons.</div>	<div>changes or modifications not expressly approved by the party responsible for compliance could void the user's authority to operate the equipment.</div> <div>This equipment has been tested and found to comply with the limits for a Class B digital device, pursuant to Part 15 of the FCC Rules. These limits are designed to provide reasonable protection against harmful interference in a residential installation. This equipment generates, uses and can radiate radio frequency energy and, if not installed and used in accordance with the instructions, may cause harmful interference to radio communications. However, there is no guarantee that interference will not occur in a particular installation.</div> <div>If this equipment does cause harmful interference to radio or television reception, which can be determined by turning the equipment off and on, the user is encouraged to try to correct the interference by one or more of the following measures:</div> <div>– Reorient or relocate the receiving antenna.</div>	<div>présent appareil est conforme aux CNR d'Innovation, Sciences et Développement économique Canada applicables aux appareils radio exempts de licence. L'exploitation est autorisée aux deux conditions suivantes :</div> <div>(1) L'appareil ne doit pas produire de brouillage;</div> <div>(2) L'appareil doit accepter tout brouillage radioélectrique subi, même si le brouillage est susceptible d'en compromettre le fonctionnement.</div> <div>Radiation Exposure statement</div> <div>This equipment complies with FCC/IC RSS-102 radiation exposure limits set forth for an uncontrolled environment. This equipment should be installed and operated with minimum distance 20 cm between the radiator and your body.</div> <div>Cet équipement est conforme aux limites d'exposition aux radiations FCC/IC CNR-102 établies pour un environnement non contrôlé. Cet équipement doit être installé et utilisé avec une distance minimale de 20 cm entre le radiateur et votre corps.</div>
