

# RS phase2 Sub-G Antenna datasheet

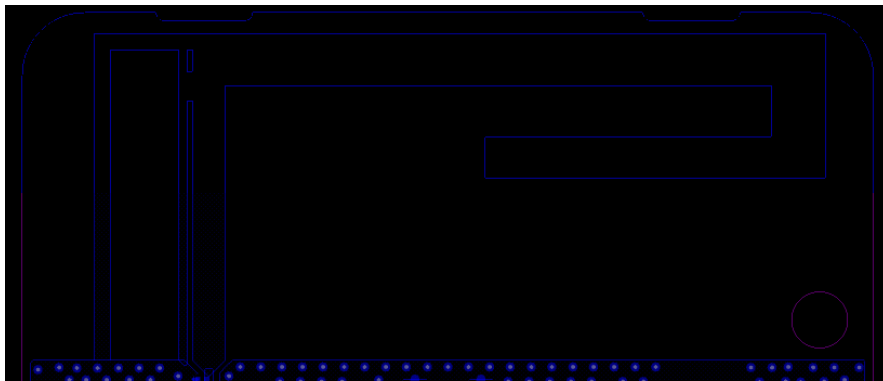

Antenna type: PCB Antenna

Antenna Model Name: RSphase2-Sub-G-Ant

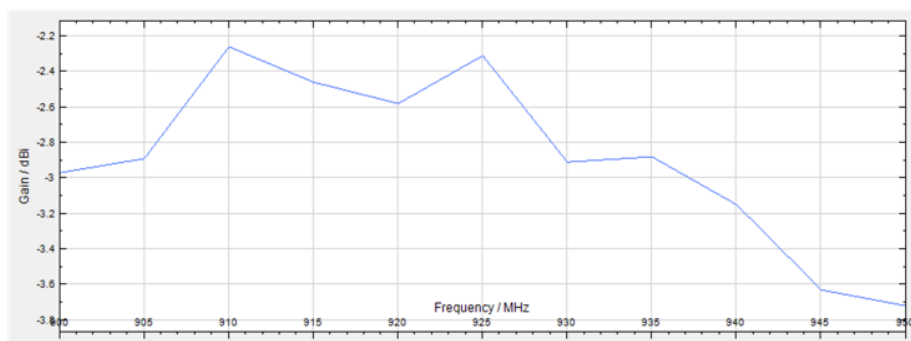

Antenna PCB manufacture: HT SURE ADVANCE CIRCUITS (SHEN ZHEN) LTD.

Address: Second Industrial Zone, Gonghe Village, Shajing Town, Baoan District, Shenzhen

Antenna picture:

Antenna Gain:

| Frequency / MHz | Gain/ dBi<br>(typical) |
|-----------------|------------------------|
| 900             | -2.97                  |
| 905             | -2.89                  |
| 910             | -2.26                  |
| 915             | -2.46                  |
| 920             | -2.58                  |
| 925             | -2.31                  |
| 930             | -2.91                  |
| 935             | -2.88                  |
| 940             | -3.15                  |
| 945             | -3.63                  |
| 950             | -3.72                  |
