

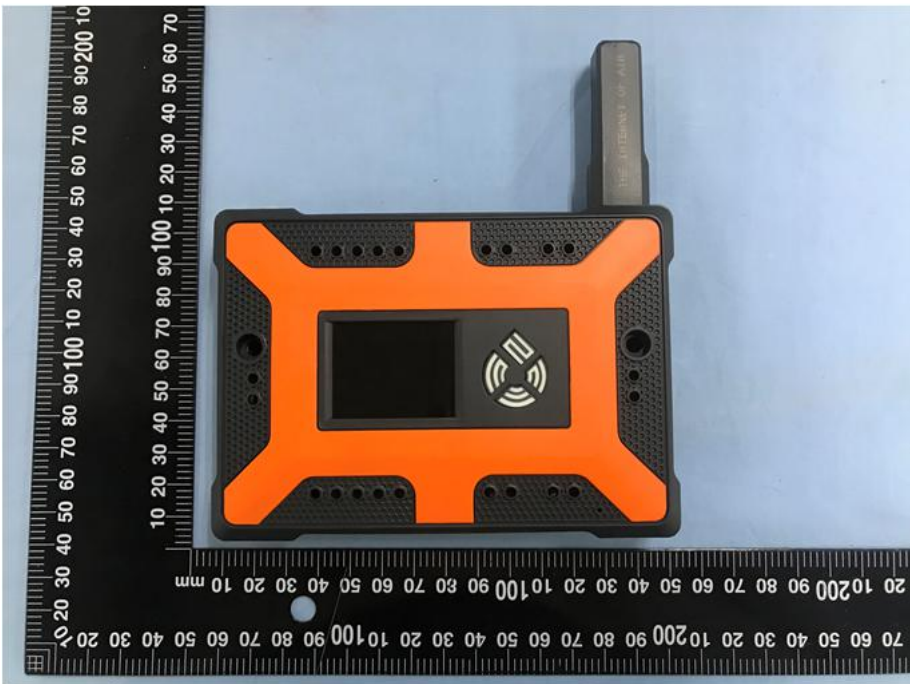

EXHIBIT 2 - EUT EXTERNAL PHOTOGRAPHS

EUT View 1	 A photograph showing the front of a small electronic device. The device has a black rectangular screen in the center, surrounded by a bright orange frame. The frame has several small circular holes at the corners and along the edges. To the right of the screen is a small circular button with a white icon. The device is placed on a light blue surface next to a black ruler with white markings. The ruler is oriented vertically, with the 0 mark at the top and the 200 mm mark at the bottom. The device is approximately 100 mm high and 60 mm wide.
EUT View 2	 A photograph showing the back of the same electronic device. The back is a solid black plastic case. There are two gold-colored screws on the left side, one near the top and one near the bottom. The device is placed on a light blue surface next to a black ruler with white markings. The ruler is oriented vertically, with the 0 mark at the top and the 200 mm mark at the bottom. The device is approximately 100 mm high and 60 mm wide.
