FEDERAL COMMUNICATIONS COMMISSION INTERFERENCE STATEMENT

This equipment has been tested and found to comply with the limits for a Class B digital device, pursuant to part 15 of the FCC Rules. These limits are designed to provide reasonable protection against harmful interference in a residential installation. This equipment generates, uses and can radiate radio frequency energy and, if not installed and used in accordance with the instructions, may cause harmful interference to radio communications. However, there is no guarantee that interference will not occur in a particular installation. If this equipment does cause harmful interference to radio or television reception, which can be determined by turning the equipment off and on, the user is encouraged to try to correct the interference by one or more of the following measures:

- Reorient or relocate the receiving antenna.
- Increase the separation between the equipment and receiver.
- Connect the equipment into an outlet on a circuit different from that to which the receiver is connected.
- Consult the dealer or an experienced radio/TV technician for help.

CAUTION:

Any changes or modifications not expressly approved by the grantee of this device could void the user's authority to operate the equipment.

This device complies with Part 15 of the FCC Rules. Operation is subject to the following two conditions:

- (1) this device may not cause harmful interference, and
- (2) this device must accept any interference received, including interference that may cause undesired operation.

RF exposure warning (For Wireless Headset)

The equipment complies with FCC RF exposure limits set forth for an uncontrolled environment. The equipment must not be co-located or operating in conjunction with any other antenna or transmitter.

RF exposure warning (For Wireless Dongle)

This equipment must be installed and operated in accordance with provided instructions and the antenna(s) used for this transmitter must be installed to provide a separation distance of at least 20 cm from all persons and must not be co-located or operating in conjunction with any other antenna or transmitter. End-users and installers must be provided with antenna installation instructions and transmitter operating conditions for satisfying RF exposure compliance.

LIMITED WARRANTY

Coverage and Term • PDP warrants that this product will be free from manufacturing defects for two years from the original date of purchase. Manufacturing defects are those defects in materials and/or workmanship, subject to final determination by PDP's customer service department. This warranty applies only to original purchasers with a valid proof of purchase from an authorized PDP retailer that clearly shows the date of purchase.

Exclusive Remedy and Exclusions • The exclusive remedy for valid claims will be the repair, replacement or refund of the product. This warranty does not cover defects caused by accidents, improper or abusive use of the product, unauthorized or improper modifications, repairs or handling.

How to Get Service • Purchasers should contact the PDP customer service department at (800) 331-3844 (US and Canada only) or +442036957905 (UK only) or by visiting support.pdp.com or support.pdp-eu.com. Inquiries are typically answered within twenty-four business hours.

Your Rights Under Applicable Law • This warranty does not affect the legal rights of customers under applicable state, provincial or national laws governing the sale of consumer goods.

Additional Information for Australian Customers • PDP products come with guarantees that cannot be excluded under the Australian Consumer Law. You are entitled to a replacement or refund for a major failure and compensation for any other reasonably foreseeable loss or damage. You are also entitled to have the goods repaired or replaced if the goods fail to be of acceptable quality and the failure does not amount to a major failure. The benefits given to you under our express warranty are in addition to other rights and remedies you have under the Australian Consumer Law and other laws.

GARANTIE LIMITÉE

Couverture et conditions • PDP garantit que ce produit sera libre de défauts de fabrication pendant deux ans à partir de sa date originale d'achat. Les défauts de fabrication sont les défauts de matériaux ou de main-d'œuvre déterminés à la discrétion du service à la clientèle de PDP. Cette garantie s'applique uniquement aux acheteurs originaux disposant d'une preuve d'achat valide provenant d'un détaillant agréé de PDP qui illustre clairement la date d'achat.

Recours exclusif et exclusions • Le recours exclusif des réclamations considérées comme étant valides sera la réparation, le remplacement ou le remboursement du produit. Cette garantie ne couvre pas les défauts causés par les accidents, les usages inappropriés ou abusifs de ce produit, les modifications non autorisées ou inadéquates, les réparations ou les manutentions non autorisées.

Comment obtenir du service • Les acheteurs doivent contacter le service à la clientèle de PDP au (800) 331-3844 (États-Unis et Canada seulement) ou +442036957905 (Royaume-Uni seulement) ou en visitant le site support.pdp.com ou support.pdp-eu.com. Nous répondons habituellement aux réclamations dans un délai de 24 heures ouvrables.

Vos droits en vertu des lois applicables • Cette garantie n'affecte pas les droits légaux des clients en vertu des lois applicables dans chaque état, province ou pays régissant la vente de biens de consommation.
