

Meet your tablet.

QTAXIA1

Setting up your tablet

Optional: Insert the microSD card

1. With the tablet facing down, open the microSD card slot cover.
2. Insert the microSD card into the slot on the right with the gold contacts facing down, as shown below. Then, gently push the microSD card into the slot until it clicks into place.

WARNING: Inserting the microSD card into the wrong slot can damage your microSD and SIM cards and may void your tablet's warranty.

NOTE: The microSD card is sold separately.

3. Close the microSD card slot cover.

Charge your tablet

Before turning on your tablet, charge it fully.

1. Connect one end of the USB cable to the USB/charger port of your tablet.
2. Connect the other end of the USB cable to the charger.
3. Plug the charger into an electrical outlet.

WARNING: Only use approved chargers with your device. Incompatible chargers or tampering with the charging port could damage your device and void the warranty.

About your tablet

Not all features, apps or services may be available with your plan, device operating system and software version. Please contact your wireless service provider for more information.

NOTE: Devices and software are constantly evolving – the screen images and icons you see here are for reference only.

Using your tablet
