

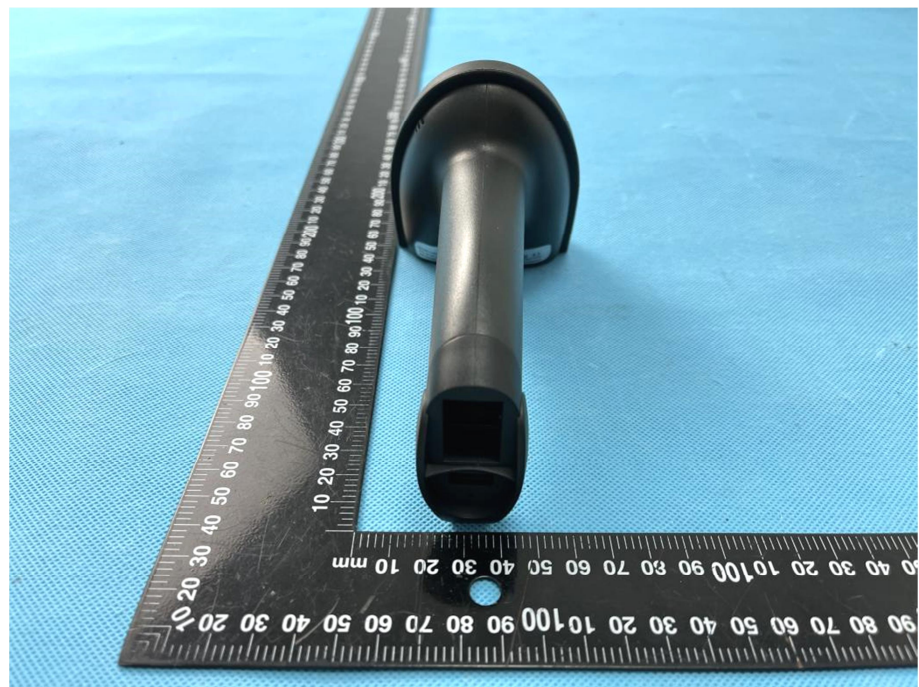

EXHIBIT 2 - EUT EXTERNAL PHOTOGRAPHS

EUT View 1	 A photograph showing a black handheld electronic unit (EUT) with a circular lens and a cable. The device is placed on a blue surface next to a black ruler for scale. The ruler has markings in centimeters and millimeters. The device is oriented vertically, and the cable is coiled next to it.
EUT View 2	 A photograph showing the same black handheld electronic unit (EUT) from a different angle. The device is placed on a blue surface next to a black ruler for scale. The ruler has markings in centimeters and millimeters. The device is oriented vertically, and the cable is not visible in this view.
