

The image shows the back of a silver, rectangular electronic device, possibly a mobile phone or a small tablet. The device has a metallic finish and several screws. A bundle of colorful wires (red, green, blue, yellow, black) is connected to the bottom edge. A red rectangular box is drawn on the lower-left part of the device's back, and a red arrow points from the text '标签位置' (Label Position) to this box. The device is resting on a light-colored surface.
