### 3 COMPLIANCE

The Applicant agrees that the equipment(s), process(es) or service(s) certified shall comply with and thus fulfil all the technical and administrative requirements stipulated in the afore mentioned certification scheme including implementing appropriate changes when they are communicated by the certification body.

### 4 CERTIFICATE

The Applicant shall ensure that no certification mark nor certificate nor report nor any part thereof is used in a misleading manner. Equipment shall be represented as certified only if it complies with the regulations and is marked as required by the certification scheme. The Applicant shall use certification only to indicate that products are certified in conformity with the specified regulations.

Upon suspension, withdrawal, or termination of certification, the applicant discontinues its use of all advertising matter that contains any reference thereto and takes action as required by the certification scheme.

### 5 QUALITY

In case of ongoing production, the Applicant ensures that any product of the production line continues to fulfil the same requirements. The Applicant further agrees to correct any deficiencies found in products or services that affect compliance with the relevant certification and takes appropriate action with respect to complaints made known to him relating to compliance with certification requirements.

### 6 SAMPLES

Although KLCERT attempts to keep the need for samples to a minimum, the applicant shall provide, without charge, such samples for examination and testing purposes. The samples will be returned after examination at applicant's expense. KLCERT shall not be responsible for the condition of such samples as the required examination may lead to damaged or destroyed products. The Applicant shall make all necessary arrangements for conducting the evaluation and subsequent surveillance activities as necessary. The Applicant agrees to provide products for KLCERT surveillance activities within 14 days of such request.

### 7 DOCUMENTATION

The applicant shall provide all necessary documentation required for the examination and/or surveillance without undue delay as requested by the applicable certification scheme.

### 8 ONSITE ACCESS

In case the certification scheme requires the certification body, including any observers if applicable, to access equipment, location(s), area(s), personnel and/or applicant's subcontractors, the applicant will satisfy this demand without undue delay and without charge.

## 9 COMPLAINTS

The applicant keeps record of all complaints made known to him relating to compliance with certification requirements and makes them available for KLCert upon request.

## 10 CONFIDENTIALITY

KLCERT will keep information received from the applicant as part of the certification project confidential to the extent possible and required by the applicable certification scheme, regulation and law. No information shall be disclosed to any third party without prior written consent with the applicant. The applicant hereby agrees to the disclosure requirements set force by the certification scheme as stated above and allows the certification body to follow those rules without further notice to the applicant.

## 11 ANTI-DRUG STATEMENT (ONLY APPLICABLE FOR FCC CERTIFICATION)

The Applicant certifies that neither he nor any party to the application is subject to a denial of Federal benefits of the USA, that include FCC benefits pursuant to Section 5301 of the Anti-Drug Abuse Act of 1988, 21 U.S.C. §862 of a conviction for possession or distribution of a controlled substance.

## 12 APPLICATION FOR CERTIFICATION

The applicant assures that the application for certification has not been submitted to any other certification body and ensures consistency with the scope of certification, which includes but is not limited to the possible operation of the product in at least one-member state without infringing applicable requirements on the use of radio spectrum. Any change that may affect the applicant's ability to comply with the certification requirements is communicated to the certification body without undue delay.

## 13 SURVEILLANCE ACTIVITIES

In case the applicant's application is subject to surveillance activities requested by the certification scheme all testing efforts necessary will be charged against the applicant.

## 14 FINAL PROVISIONS

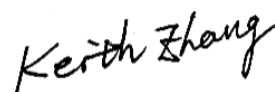

The Applicant will hold harmless KLCert, general CEOs, and employees against any and all liability, loss, costs, damages, reasonable legal fees and expenses of whatever kind or nature, which is proximately caused by:

- any breach of the terms of this Agreement by the applicant, including without limitation any failure to abide by the Requirements,
- any use of the Equipment, Process or Service in any manner that is not consistent with the Requirements.

The General Terms and Conditions of KL-Certification GmbH apply.

## 15 CONTRACT PERIOD

This agreement immediately comes and remains into force unless withdrawn for justified reasons or cancelled by either party upon due notice given to the other party.
