

MODEL:HP-H020

Input Voltage: 15V $\approx$ 2400mA

Consumption: 70W

Bluetooth range: 2402-2480MHz

Max. RF emission power: -1.93dBm

FCC ID:2AQ4R-HP-H020

This device complies with part 15 of the FCC Rules. Operation is subject to the following two conditions: (1) This device may not cause harmful interference, and (2) this device must accept any interference received, including interference that may cause undesired operation.

Made in China

CAUTION - VORSICHT - ATTENTION - OPGELET

Shock hazard - Do not open the housing

Stromschlaggefahr - Nicht das Gehäuse öffnen

Risque de choc électrique - Ne pas ouvrir le boîtier

Risico voor elektrische schok - Niet de behuizing openen
