SUBJECT: Confidentiality Request regarding application for certification of FCC ID: EF400167

To Whom It May Concern:

We, Nortek Security & Control LLC, would like to request that **all schematics, block diagrams, operational descriptions, Parts List/BOM, and Tune-up Procedure** submitted with the application for certification be withheld from public disclosure as per Section 0.459 of FCC Rules.

This request is made under the provisions of Section 0.457 (d) of the Commission's Rules, and Section 552 (b)(4) of the Freedom of Information Act. These sections authorize the withholding from public inspection, those materials which would be privileged as a matter of law if retained by the person submitting them, and materials which would not customarily be released to the public by that person.

Sincerely,
