Dear Mr. Corey Cahill:

The Federal Aviation Administration, Spectrum Engineering Services Group received the EMS Technologies Canada, Ltd. notification letter of its filing with the Federal Communications Commission (FCC). The application is for certification of the Aspire 400 Aeronautical Earth Station Satellite Communications Transceiver model with FCC ID: K6K-MK5 and K6K-HP.

We have completed the review process of the information submitted by EMS Technologies Canada, Ltd. and concluded that we have no objection to the FCC granting certification for this equipment.

If you require any additional information, please contact Mr. Jae Shin, Electronics Engineer, Spectrum Planning and International Group, at (202) 267-7365 or via e-mail jae.w.shin@faa.gov.

Sincerely,

A handwritten signature in blue ink, appearing to read "James D. Linney", is written over a circular stamp. The stamp contains the text "James D. Linney" and "Director".
