Instruction Manual

Thank you for purchasing this product.
Before using this product, please read the instructions carefully.
After reading the instruction sheet, please keep it with you for reference.

Caution

Warning:
Not suitable for children under 36 months.
Do not use.

Please read carefully before using this product.
Do not use the product near heat sources.
Do not use the product or any of its components in any way other than intended, and only with its cable.
Do not use any chemical agents like gasoline or thinner.

Regarding noise and interference radiation:
This product is a Class II digital device. This product is intended to be used in a home environment.
It is considered a radio device. Interference may occur. Please read the manual carefully and use the product properly.

Regarding other cautions:
This product is certified by the FCC as a low power radio communication wireless device.

Notes on communication:
This product uses a 2.4 GHz frequency band. Other wireless devices may use the same frequency band.
In order to prevent radio interference with other wireless devices, please pay attention to the following items:
1. Do not use the product in the vicinity of other wireless devices, such as mobile phones, cordless phones, etc.
2. In the vicinity where radio interference occurs between this product and other wireless devices, please pay attention to the following items:
3. The battery level will drop when the product is used in the vicinity of other wireless devices.
Please do not use a prohibited area such as a hospital or near other medical devices.
If radio waves may affect electronic devices and cause serious damage to the product, please read the manual carefully and use the product properly.

If using the product near other medical equipment, fire alarms, automatic doors, other electronic equipment, etc.
Please read the manual carefully and use the product properly.

Precautions for use:
The product requires two AA alkaline batteries. (Not included).
When replacing the batteries, replace both batteries at the same time with new ones.
If the battery level drops, please replace the batteries with new ones.
If the battery level drops, please replace the batteries with new ones.
If the battery level drops, please replace the batteries with new ones.

Precautions for use:
The product requires two AA alkaline batteries. (Not included).
When replacing the batteries, replace both batteries at the same time with new ones.
If the battery level drops, please replace the batteries with new ones.
If the battery level drops, please replace the batteries with new ones.
If the battery level drops, please replace the batteries with new ones.
