

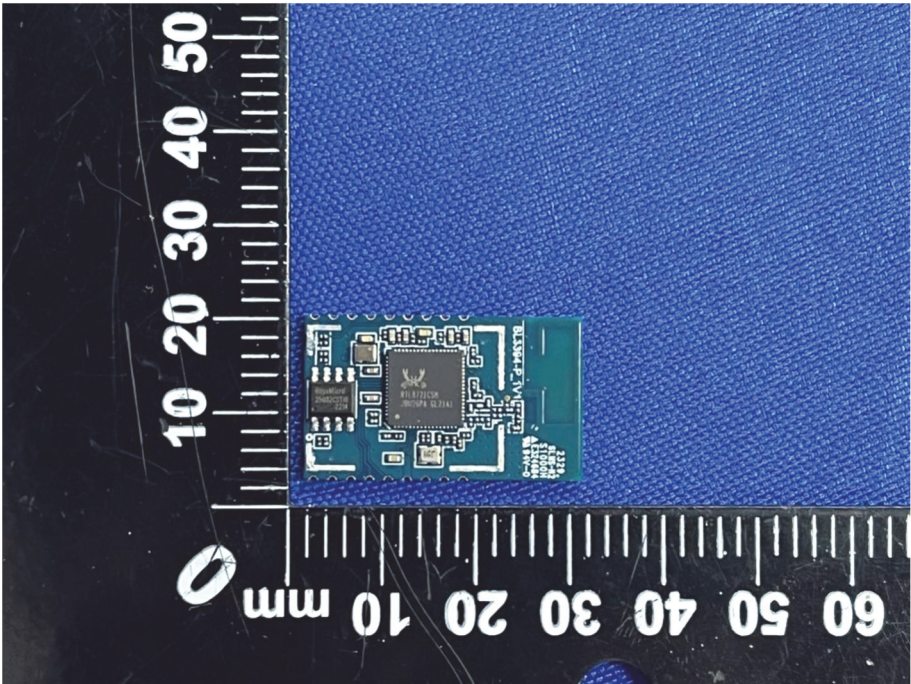

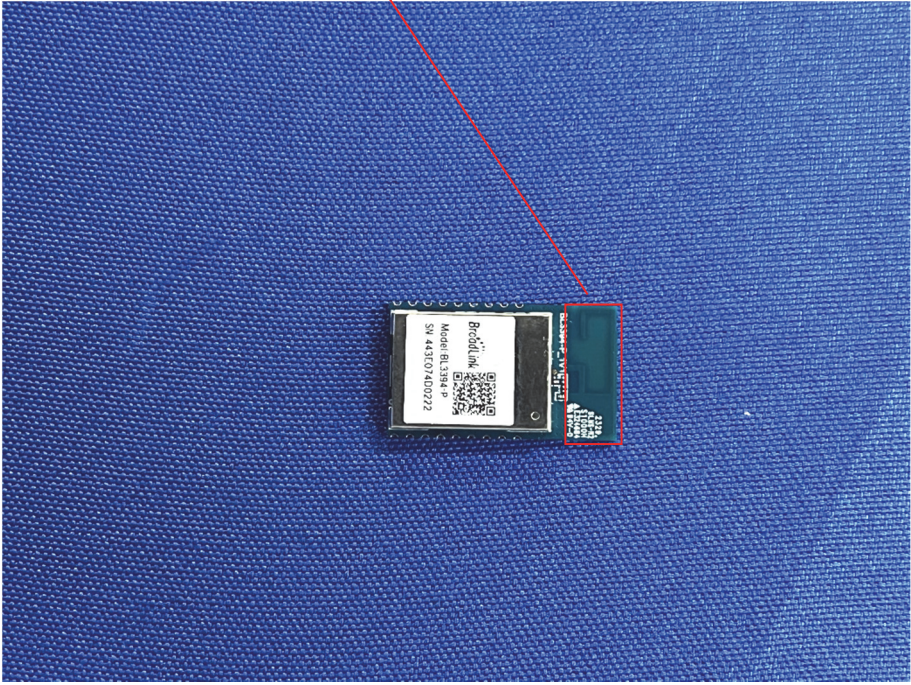

EXHIBIT 3 - EUT INTERNAL PHOTOGRAPHS

Solder Board-Component View 1	 A photograph of a small green printed circuit board (PCB) component, likely a wireless module, resting on a blue textured surface. A black ruler with white markings is placed vertically to the left of the component, showing measurements from 0 to 50 mm. The component itself has various electronic components, including a central chip with 'WALTEK' and 'WMT23X10224906W' printed on it.
Antenna View	WIFI/BT Antenna  A photograph of the same green PCB component, showing the underside where the antenna is located. A red rectangular box highlights the antenna area, and a red line points from the 'WIFI/BT Antenna' label to this box. The component is resting on a blue textured surface. A white label on the component contains the following text: 'Brodit, Inc.', 'Model: BL394-P', 'SN: 44307100222', and a QR code.
