

**BYTECH®**  
THE ART OF TECHNOLOGY

BY-AU-BE-224-AC

**GLOWSOUND**  
GLOW IN THE DARK WIRELESS EARBUDS

#### SPECIFICATIONS:

- Input Power: 5V=1A
- Driver Diameter: 10mm
- Earbuds Capacity: 30mAh
- Power Bank Capacity: 250mAh
- Charging Time: Up to 1.5 Hours
- Charging Interface: Type C USB
- Talk/Music Time: Up to 2 Hours
- Total Play Time: 12 Hours
- Standby Time: Up to 120 Hours
- Transmission Range: Up to 33 feet

#### PAIRING:

1. Remove the EARBUDS from the charging case. They will automatically connect to each other.
2. Turn on the Bluetooth settings on your device.
3. Begin to search for **BY-BE-224** on your device (Phone/Tablet).
4. Click connect on your Bluetooth enabled device and your Earbuds should successfully connect.

#### Touch Control:

- 1 TAP-** Play/Pause  
/answer call/end call
- 2 TAP-** Vol+/Vol-
- 3 TAP-** Enable Siri/Google

long press 1-2 seconds- Prev/Next/Reject Call  
Long press 3-5 seconds- Power On/ Power Off

Once done listening you can just place the EARBUDS into the charging case and they will automatically power off.

#### CHARGING

1. Replace the earbuds in the case.
2. Connect the Type-C charging cable to the charging port on the back of the case.
3. Plug the cable into a standard USB 5V/1A or higher power output.

When you plug the case into a charging mechanism the indicator lights on the front of the case will begin to flash. This means the case battery is being charged. While this is happening the lights on the buds inside the case glow solid red, which indicates they are being charged.

When fully charged the case LED will glow solid and the earbud LEDs will shut off.

4. When fully charged, unplug the charging cable from the power source.

If you want to charge the earbuds from the charge case internal battery, simply place them back in the charge case, they will glow red to indicate charging.

#### WARNING:

- Do not use this unit for anything other than its intended use.
- Keep the unit away from heat source, direct sunlight, humidity, water or any other liquid.
- Do not expose the device to extremely high or low temperatures, as it may damage the battery.
- Do not operate the unit if it has been wet or moist to prevent against electric shock and/or injury to yourself and damage to the unit.
- Do not use the unit if it has been dropped or damaged in any way.
- Repairs to electrical equipment should only be performed by a qualified electrician. Improper repairs may place the user at serious risk.
- Keep the unit out of reach of children. This unit is not a toy.

FCC ID: 2AHN6-AUBE224

This device complies with Part 15 of the FCC Rules. Operation is subject to the following two conditions: (1) this device may not cause harmful interference, and (2) this device must accept any interference received, including interference that may cause undesired operation.

**NOTE:** This equipment has been tested and found to comply with the limits for a Class B digital device, pursuant to part 15 of the FCC Rules. These limits are designed to provide reasonable protection against harmful interference in a residential installation. This equipment generates, uses and can radiate radio frequency energy and, if not installed and used in accordance with the instructions, may cause harmful interference to radio communications. However, there is no guarantee that interference will not occur in a particular installation. If this equipment does cause harmful interference to radio or television reception, which can be determined by turning the equipment off and on, the user is encouraged to try to correct the interference by one or more of the following measures:

- Reorient or relocate the receiving antenna.
- Increase the separation between the equipment and receiver.
- Connect the equipment into an outlet on a circuit different from that to which the receiver is connected.
- Consult the dealer or an experienced radio/TV technician for help.

**CAUTION:** Any changes or modifications not expressly approved could void the user's authority to operate the equipment.

FCC Radiation Exposure Statement:

This equipment complies with FCC radiation exposure limits set forth for an uncontrolled environment.

BYTECH

Bytech NY INC. warrants this product to be free from defects in materials and workmanship to the original purchaser for a period of 12 months from the original purchase date. Bytech's responsibility with regard to this limited warranty shall be limited solely to repair or replacement as its option, of any product which fails during normal consumer use.
