Version: BLE4.2

Features:

1. Easy match and easy to operate
2. Compact size, plug and play, easy to use
3. Can use APP for the mobile phone to control the height adjustable desk.
4. Sitting and standing position of height adjustable desk can be memorized
5. Can be equipped with Loctek height adjustable desk system

Loctek BT Control APP Android/IOS Download

Cautions

1. Please do not squeeze and collide.
2. Please do not disassemble or put it into fire or water.
3. Please do not use in severely hot, humid or corrosive environments.
4. Please keep this product out of the reach of children to avoid unnecessary accidents caused by children.
5. This device complies with Part 15 of the FCC. Operation is subject to the following two conditions: (1) this device may not cause harmful interference, and (2) this device must accept any interference received, including interference that may cause undesired operation. Any changes or modifications not expressly approved by the party responsible for compliance could void the user's authority to operate the equipment.
This equipment has been tested and found to comply with the limits for a Class B digital device, pursuant to part 15 of the FCC Rules. These limits are designed to provide reasonable protection against harmful interference in a residential installation. This equipment generates uses and can radiate radio frequency energy and, if not installed and used in accordance with the instructions, may cause harmful interference to radio communications. However, there is no guarantee that interference will not occur in a particular installation. If this equipment does cause harmful interference to radio or television reception, which can be determined by turning the equipment off and on, the user is encouraged to try to correct the interference by one or more of the following measures:
 - Reorient or relocate the receiving antenna.
 - Increase the separation between the equipment and receiver.
 - Connect the equipment into an outlet on a circuit different from that to which the receiver is connected.
 - Consult the dealer or an experienced radio/TV technician for help.
6. This equipment should be installed and operated with minimum distance 20cm between the radiator and your body.

Waste disposal

This marking indicates that this product should not be disposed with other household wastes. To prevent possible harm to the environment or human health from uncontrolled waste disposal, recycle it responsibly to promote the sustainable reuse of material resources. To return your used device, please use the return and collection systems or contact the retailer where the product was purchased. They can take this product for environmental safe recycling.
