A black FSP Group Inc. power supply unit (PSU) is shown against a blue background. The PSU is rectangular with a coiled black cable attached to the top. The front panel features a circular fan grille and a small rectangular button. A detailed label is affixed to the top surface, displaying the FSP logo, technical specifications, safety warnings, and various certification marks. The cable has a standard three-prong AC power plug and a multi-pin connector for the PSU.
