EUT View 3	 A photograph showing the back of a dark blue smartphone. The phone is positioned vertically on a light blue textured surface. A black ruler with white markings is placed horizontally below the phone, showing measurements in millimeters and centimeters. The phone's back features a circular camera module at the top left and the word "BOLD" in white capital letters near the bottom center. Below "BOLD", there is smaller text that reads "Model: K100 Designed in Miami".
EUT View 4	 A close-up photograph of the back of the same dark blue smartphone. The phone is positioned vertically on a light blue textured surface. A black ruler with white markings is placed horizontally below the phone, showing measurements in millimeters and centimeters. The phone's back features a circular camera module at the top left and the word "BOLD" in white capital letters near the bottom center. Below "BOLD", there is smaller text that reads "Model: K100 Designed in Miami".

EUT View 5	 A photograph showing the back of a dark blue smartphone. The phone is positioned horizontally next to a black ruler with white markings. The ruler is placed diagonally across the frame. The phone's camera module is a large circle with three lenses and a flash. The word "BOLD" is visible on the back of the phone. The background is a light blue textured surface.
EUT View 6	 A photograph showing the back of the same dark blue smartphone from a slightly different angle. The phone is positioned horizontally next to the same black ruler. The camera module and the word "BOLD" are visible. The background is the same light blue textured surface.
