

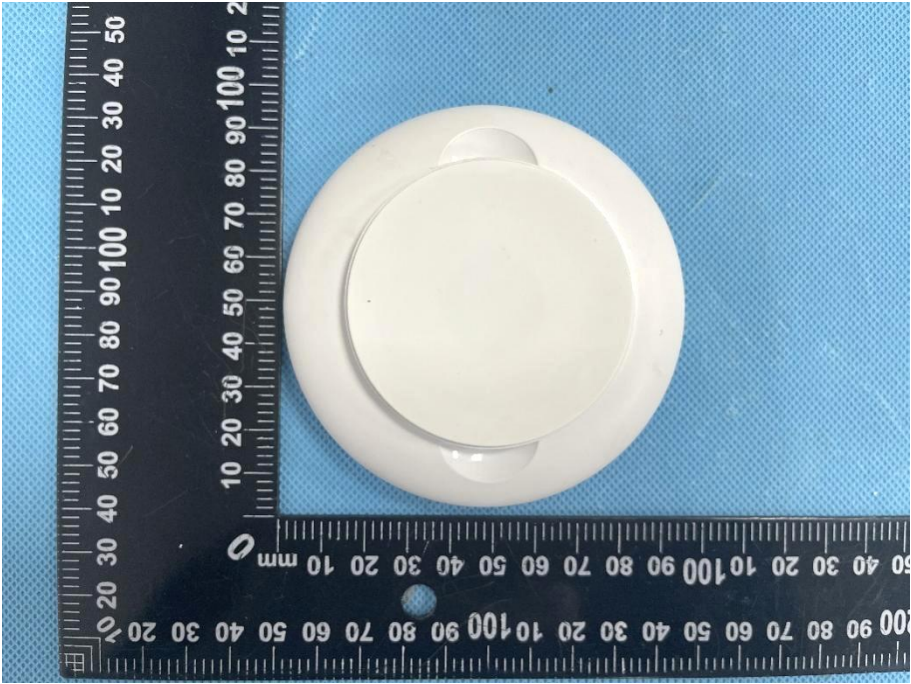

EXHIBIT 2 - EUT EXTERNAL PHOTOGRAPHS

EUT View 1	 A top-down photograph of a white, circular electronic component (EUT) resting on a blue textured surface. A black L-shaped ruler is placed next to the component for scale. The ruler has markings in millimeters (0 to 100) and centimeters (0 to 10). The component is roughly circular with a slightly raised rim and a flat center.
EUT View 2	 A side-view photograph of the same white, circular electronic component. The component is shown from an angle, highlighting its rounded profile and the flat top surface. The black L-shaped ruler is again present for scale, showing the component's height and width relative to the millimeter and centimeter markings.
