Other Information

This device complies with Part 15 of the FCC Rules. Operation is subject to the following two conditions:

- (1) this device may not cause harmful interference.
(2) this device must accept any interference received; including interference that may cause undesired operation.

Warning: Changes or modifications to this unit not expressly approved by the party responsible for compliance could void the user's authority to operate the equipment.

NOTE: This equipment has been tested and found to comply with the limits for a Class B digital device, pursuant to Part 15 of the FCC Rules. This limits are designed to provide reasonable protection against harmful interference in a residential installation. This equipment generates, uses and can radiate radio frequency energy and, if not installed and used in accordance with the instructions, may cause harmful interference to radio communications.

However, there is no guarantee that interference will not occur in a particular installation. If this equipment does cause harmful interference to radio or television reception, which can be determine by turning the equipment off and on, the user is encouraged to try to correct the interference by one or more of the following measures:

- Reorient or relocate the receiving antenna.
- Increase the separation between the equipment and receiver.
- Connect the equipment into an outlet on a circuit different from that to which the receiver is connected.
- Consult the dealer or an experienced radio/TV technician for help.

The device meets low-power exclusion level, so the device complies with EMF basic restrictions according to standard EN 62479.

Item No.

2043972_DP BASE FOR CTD LLABSTD ALONE C1

FCC ID

2ALCP2043972

Power Rating

5V DC 1A

Radio Operation Frequency Range and Max. Radio Power

Rechargeable Power Module: 2402-2408MHz, 4dBm

Produced for: MHCS
9 avenue de champagne,
51207 EPERNAY CEDEX - France

Produced by: LF BEAUTY LIMITED
2/F, HK Spinners Industrial building, Phases I & II,
800 Cheung Sha Wan Road, Kowloon, Hong Kong

This symbol, affixed to the product or its packaging, indicates that this product should not be treated with household waste. It must be handed over to an appropriate collection point for the recycling of used batteries, and electrical and electronic equipment. By ensuring that this product is disposed of appropriately, you will help prevent potential negative consequences for the environment and human health. Recycling materials will help conserve natural resources.

EU Declaration of Conformity

We,

LF BEAUTY LIMITED
