Declaration for WiFi Channels

Date: December 13, 2022

We, SECO USA, Inc., declare that the device does not support channel 12 & 13 in 2.4GHz band in all the operational modes for the following product.

FCC ID: 2ALZB-LB1DX

If you should have any questions regarding this declaration, please contact us.

Thank you.

A handwritten signature in blue ink, appearing to read "TLC", with a stylized flourish at the end.
