

Shenzhen Everbest Machinery Industry Co., Ltd
Product declaration

We, Shenzhen Everbest Machinery Industry Co., Ltd
certify the product: ROCAR beta
Main model: M-81B
Series model: M-81G, M-81F, M-82B, M-81F

The difference between the series models is the removal of alcohol module function (corresponding to the removal of hall IC and alcohol module power supply) and temperature and humidity detection function on the basis of the main model M-81B, while there is a slight difference in Bluetooth antenna.
The antennas of models M-81F, M-82B, and M-81F are the same as those of M-81G, except for the main model M-81B which is different from the others.
All models are electrically identical, with only a few differences in the antenna.
