Mr. George Sakai, ASR-1 Program Director  
Spectrum Engineering Division  
800 Independence Avenue, SW  
Room 715  
Washington, DC 20591

Re: FAA Notification of FCC Equipment  
Approval Under FCC Part 87  
HST- 900 High Speed Data Transceiver

Mr. Sakai:

In accordance with the requirements of the Federal Communication Commission Rules and Regulations, Part 87.147(d), Rockwell Collins, Inc. hereby notifies the Federal Aviation Administration of its simultaneous filing with the FCC of an application for type acceptance on FCC Form 731 of equipment intended for transmission in frequency ranges set forth in FCC rules Part 87.147(d)(3) which require FAA notification. The application for type acceptance covers Rockwell Collins HST - 900 High Speed Data Transceiver.

One complete set of the filing documents is enclosed, including a copy of Form 731, a detailed product description and test data for the HST - 900.

Please direct any questions regarding this filing to Mr. Joe Cramer, (703) 516-8213.

Respectfully Submitted,

Maggie O'Neill  
Administrative Assistant  
Governmental & Regulatory Affairs
