

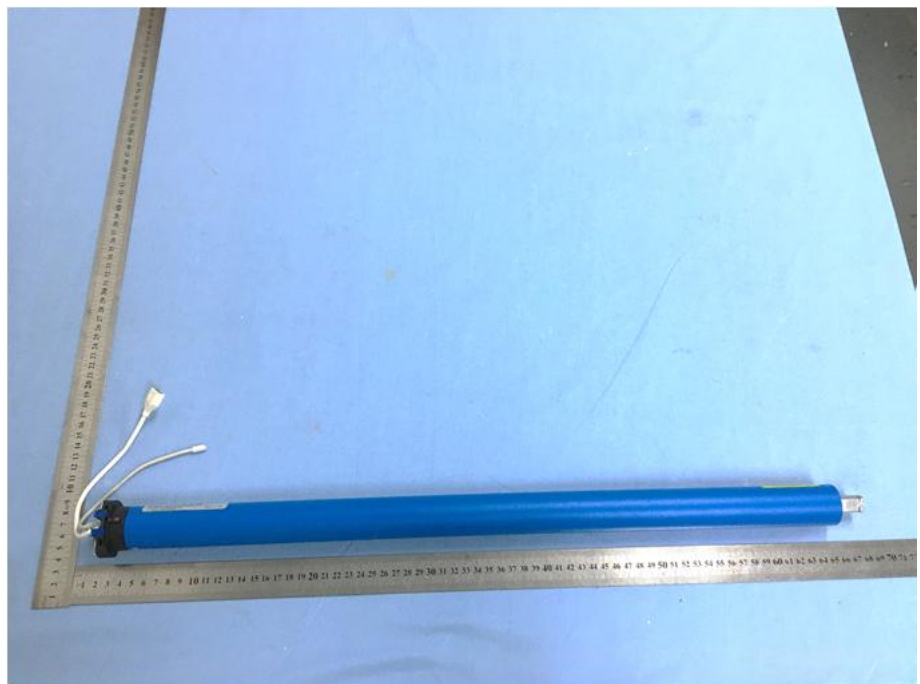

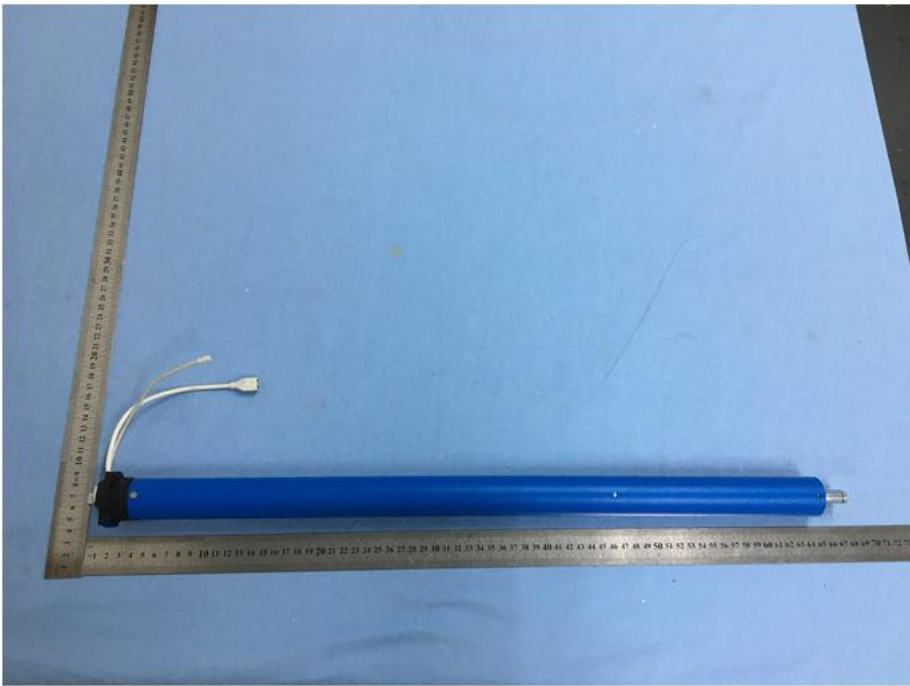

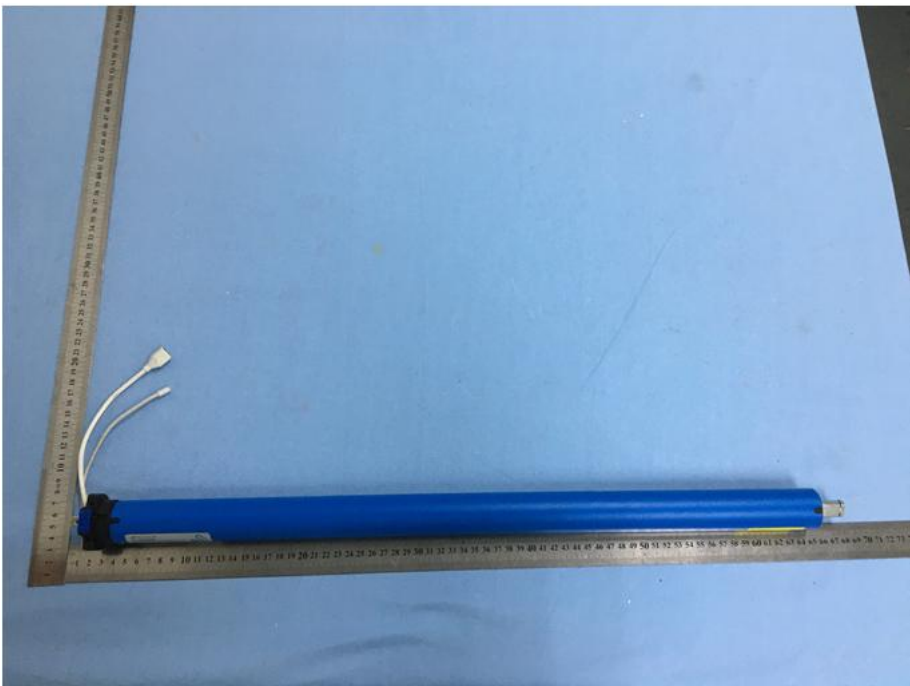

EXHIBIT 2 - EUT EXTERNAL PHOTOGRAPHS

EUT View 1**EUT View 2**

EUT View 3	 A photograph showing a blue cylindrical device (EUT) lying horizontally on a light blue surface. A wooden ruler is placed vertically to the left of the device, with its markings visible. The device has a black connector at one end, from which two white cables emerge. The other end of the device is a silver-colored metal tip. The ruler shows the device is approximately 70 cm long.
EUT View 4	 A photograph showing the same blue cylindrical device (EUT) from a slightly different angle, still lying horizontally on the light blue surface. The wooden ruler is again placed vertically to the left for scale. The black connector and white cables are visible on the left side, and the silver-colored metal tip is on the right. The device's length is approximately 70 cm.
