**RE: Supersede Request for FCC ID: OR8-MOGUL granted on 2/06/2018**

Recently, while double checking the reports during our quarterly internal audit, we came to find that the data and photos of the report issued for **FCC ID: OR8-MOGUL** were mistakenly taken from another product.

Since the grant of **FCC ID: OR8-MOGUL** has now exceeded the 30-day grace period, we would like to make a supersede request in order to replace and resubmit the report and photos for this FCC ID.

Please kindly allow us to replace this erroneous report. Thank you for your kind attention.

Sincerely,

David Huang
