Gentlemen:

This letter is to comply with 47 CFR 0.457 and 0.459 pertaining to confidentiality material. GL Technologies (Hong Kong) Limited requests that the following documents regarding this submission for FCC ID: 2AFIW-S200 be kept confidential:

<b>Exhibit Type</b>	<b>File Name</b>

Operational Description	Operational Description.pdf

And below exhibit kept short-term confidential (180 days):

External photos	External photos.pdf

Those documents contain detailed system and equipment description and related information about the product which GL Technologies (Hong Kong) Limited considers to be confidential proprietary, a custom design and, otherwise, not releasable to the general public. Since this design is a basis form which future technological products will evolve, GL Technologies (Hong Kong) Limited considers this information would be of benefit to its competitors, and that the disclosure of the information in these documents would give competitors an unfair advantage in the market.

Yours Sincerely,

Alfie Zhao
