Hornady Manufacturing Company

Modular Transmitter Approval Request

Federal Communications Commission Equipment Authorization Branch 7435 Oakland Mills Road Columbia, MD 21046

Company name: Hornady Manufacturing Company FCC ID: 2AFJZ-HOM008

Gentlemen,

In accordance with 47CFR 15.212 Modular Transmitters and KDB 996369 D01 'Module Certification Guide v01r04'. FCC ID: 2AFJZ-HOM008 has been examined against the following requirements.

Requirement per 15.212 and KDB 996369 D01	Explanation from Grantee
'Modular Certification Guide v01r04	(do not write yes/no, but explain why product complies/how it is achieved)
The radio elements must have the radio frequency circuitry	Yes
shielded. Physical components and tuning capacitor(s) may be	The radio portion of the module has
located external to the shield, but must be on the module assembly	been shielded, Refer to the external
The module must have buffered modulation/data inputs to ensure	photos. Yes
that the device will comply with Part 15 requirements with any type	The module has buffered modulation/data
of input signal	inputs.
	Refer to the Schematic diagram.
The module must contain power supply regulation on the module	Yes
	This module is equipped internal power
	regulators.
	Refer to the Schematic diagram.
The module must contain a permanently attached antenna, or	Yes
contain a unique antenna connector, and be marketed and operated only with specific antenna(s), per Sections 15.203,	This module is equipped with a Internal Antenna.
15.204(b), 15.204(c), 15.212(a), 2.929(b)	
The module must demonstrate compliance in a stand-alone	Refer to the internal photo. Yes
configuration	This module was tested in a stand-alone
g	configuration.
	Refer to the test setup photos.
The module must be labelled with its permanently affixed FCC ID	Yes
label, or use an electronic display (See KDB Publication 784748	The module has its permanently affixed
about labelling requirements)	FCC ID label and the FCC ID label is shield
	COVER.
The module must comply with all specific rules applicable to the	Refer to the FCC ID Label Location. Yes
transmitter including all the conditions provided in the integration	The module complies with all specific rules
instructions by the grantee	applicable to the transmitter.
The module must comply with RF exposure requirements	Yes. The Module belong to Part 15 Low
	Power Communication Device Transmitter.
