

Re: Change of Identification Authorization, TFB-TIWI501

Date: July 24<sup>th</sup>, 2015

To Whom It May Concern:

This letter grants authorization for representatives of Extron Electronics to apply to the FCC for a change in identification as specified under 47CFR 2.933 of the FCC Rules.

This authorization applies to LS Research, LLC, FCC ID: TFB-TIWI501

We are aware that Extron Electronics intends to market the above referenced module under their own FCC ID: 2AE3WEXT2052CB

This acknowledgement letter does not grant permission for the FCC, a TCB (Telecommunication Certification Body) or any other entity to provide Extron Electronics access to confidential information.

LS Research does not take ownership or responsibility for any modifications or changes Extron Electronics may have made to LS Research's certified module. It is LS Research's understanding that Extron Electronics plan is to leverage LS Research's existing test data and confidential documents for a module certification and therefore has taken the necessary ownership for the module and their product certification.

Sincerely,

William Steinike  
President of LS Research
