Columbia, MD 21046

Ref.: FCC Class II Permissive Change for FCC ID: BRWDAMTX12
Original Grant Date: 8/20/13
Applicant: Horizon Hobby, LLC

To Whom It May Concern:

Horizon Hobby, LLC through Elite Electronic Engineering, Inc., hereby applies for a Class II Permissive Change to BRWDAMTX12.

The grant states, "The antenna used for this transmitter must be installed to provide a separation distance of at least 20 cm from all persons and must not be co-located or operating in conjunction with any other antenna or transmitter."

Horizon Hobby, LLC would like to receive a Class II Permissive Change to the grant to add to this sentence "...except in accordance with FCC multi-transmitter product procedures."

We request this change in order to allow co-location and/or other transmitters used with the module, as long as the product meets the multi-transmitter product requirements.

Thank you.

Regards,

A handwritten signature in black ink, appearing to read "William Vallee".
