Re: Confidentiality Request for SDR Application

Gentlemen:

This letter is to comply with 47 CFR 0.457(d)(2) pertaining to confidential material. Enterasys Networks Inc. requests that the following document regarding this submission for FCC ID QXO-RBT4102 be kept confidential:

1. Software Theory of Operation

The material above contains technical data, which would customarily be guarded from competitors.

Sincerely,

John Ballew
Senior Compliance Engineer
Enterasys Networks Inc.
