Protect Your Privacy and Online Security

LeapFrog cares about your privacy and peace of mind. That's why we've put together a list of industry-recommended best practices to help keep your wireless connection private and your devices protected when online.

Ensure your wireless connection is secure

Change default settings

Keep your devices up to date

Parking mode

Activate Parking Mode:

The RBRC seal

The RBRC seal on the Li-ion battery indicates that Vtech Communications, Inc. is voluntarily participating in an industry program to collect and recycle these batteries at the end of their useful lives.

California Energy Commission battery charging testing mode

Disclaimer and Limitation of Liability

FCC and IC regulations

Online Manual

Find the answer to your question on our knowledge-rich Online Manual. Get assisted at your own pace and learn what your monitor is capable of.
