European conformance (CE). The following information is applicable

to phones that carry a CE mark. Contact point: Regulatory Compliance, Motorola Mobility UK Ltd., Redwood, Crockford Lane, Chineham Business Park, Basingstoke, RG24 8WQ, UK.

Hereby, Motorola Mobility LLC declares that the radio equipment with this declaration and bearing the CE mark is in compliance with Directive 2014/53/EU.

The full DoC can be found at www.motorola.com/red.

Exposure to RF energy and phone operation. Your phone contains a transmitter and receiver of RF energy. It is designed to comply with regulatory requirements concerning human RF exposure. For optimal phone performance and to stay within the RF exposure guidelines:

- hold your phone normally at your ear when talking on it.
- when using the phone next to your body (other than in your hand or against your head), maintain a distance of 5 mm from your body to be consistent with how the phone is tested for compliance with RF exposure requirements.
- if you use your phone with a non-Motorola accessory case or holder, make sure the accessory maintains the required separation distance and has no metallic parts.

Compatible energy-efficient power supplies. Motorola products are designed to work with a range of compatible power supplies. You can find a list on the product-specific EU Declaration of Conformity (DoC) documents at www.motorola.com/RED. To find energy efficiency information for your power supply, go to www.motorola.com/eu-erp.

Service and repairs. If you have questions or need assistance, we're here to help. Go to www.motorola.com/support, where you can select from a number of customer care options.
