

A photograph showing the rear panel of a K42-9 network switch. The device is silver and black with a carbon fiber texture on the sides. It features various ports including RJ45, SFP (Small Form-factor Pluggable), and power. A red arrow points to the SFP port, which is labeled 'SFP'. A ruler is placed vertically on the left side of the device, and another ruler is placed horizontally at the bottom, indicating the device's dimensions.
