Re: Shenzhen Airsmart Technology Co., Ltd. FCC ID: 2ALXL-PVX FCC Part 15C Certification Confidentiality Request

## Gentlemen:

This letter is to comply with 47 CFR 0.457 and 0.459 pertaining to confidentiality material. Shenzhen Airsmart Technology Co., Ltd. requests that the following documents regarding this submission for FCC ID: 2ALXL-PVX be kept confidential:

Exhibit Type File Name

Block Diagram

Schematics

Block Diagram.pdf

Circuit Diagram.pdf

Operational Description Operational Description.pdf

Part list BOM.pdf

Those documents contain detailed system and equipment description and related information about the product which 2ALXL-PVX considers to be confidential proprietary, a custom design and, otherwise, not releasable to the general public. Since this design is a basis form which future technological products will evolve, Shenzhen Airsmart Technology Co., Ltd. considers this information would be of benefit to its competitors, and that the disclosure of the information in these documents would give competitors an unfair advantage in the market.
