Subject: UNII 6GHz Attestation per 987594 v01r02 Appendix B

FCC ID: A4RG9S9B

To Whom It May Concern:

We, Google LLC, attest that this device under FCC ID A4RG9S9B complies with device protocol requirements and operational restrictions: for indoor client 6XD.

Device Protocol Attestation Statement for Indoor Client 6XD:

- a. Statement that the device will only associate and connect with a low-power indoor access point or subordinate device and never directly connect to other client devices.
- b. Statement that this device will always initiate transmission under the control of a lowpower indoor AP or subordinate except for brief transmissions before joining a network. These short messages will only occur if the client has detected an indoor AP or subordinate operating on a channel. These brief messages will have a time-out mechanism such that if it does not receive a response from an AP it will not continually repeat the request.
- c. Statement that transmissions will be lower or equal to the power advertised by the indoor low-power access point or subordinate and never above the maximum output power allowed by the FCC grant for equipment class 6XD.

Understanding of Statement acknowledging device restrictions:

- a. Prohibited for control of or communications with unmanned aircraft systems, including drones.

If you have any questions, please do not hesitate to contact us.

Sincerely yours,

---
