Subject: Limited Usage/Integration
Reference FCC ID: 2AQPLLBEE5HY1MW
Grant Date(s): 02/11/2019

To Whom It May Concern:

According to 996369 D03 OEM Manual v01 we hereby declare that the modular transmitter with the above listed FCC ID will exclusively approved for use by ourselves for integration in our host devices and is not intended for sale to third parties.

We hereby assure full control of the proper integration and final host compliance. Therefore the existing Modular Approval filing will be changed to Limited Modular Approval.

Due to the fact that the integration is strictly limited to ourselves, the installation instructions are not that detailed as it would be for installation by third parties.

Sincerely,

David R. Bild
