Date: Sept 9, 2020  
Subject: Peer to peer Function Declaration  
FCC ID 2ALXJ-MTW200

To whom it may concern,

For 2.4GHz WiFi

We, Owl Labs Inc., declare that the device with the referenced FCC ID does not support any non-US channels. Channels 12 and 13 are disabled in 2.4 GHz band. No selection of any non-US country code is allowed.

Also, the WiFi client software shipped in the device does not support operations in U-NII-2A and U-NII-2C DFS bands in 5 GHz

Sincerely,

Applicant: Owl Labs Inc.  
Address: 33-1/2 Union Square Somerville MA 02143  
Name and Title Max MaKeev/Chief Development Officer
