To Whom It May Concern:

We, **NOBUX, LLC**, state that our device, **FCC ID: 2AEHF-VOLTNX5**, has a battery, but the battery will not be placed in the battery compartment when delivery, it is visible to the users as they purchase the products and install the battery. The back cover can be moved away, there is not enough space to print FCC ID label in surface of products, so the label has to be placed in battery compartment.

Sincerely,

A handwritten signature in dark ink that reads "Jason Yang". The script is cursive and fluid, with the first letters of each name being capitalized and prominent.
