WIRELESS LOCATOR TAG

INSTRUCTION MANUAL

IMPORTANT: PLEASE READ BEFORE USING THIS PRODUCT

Thank you for purchasing the AZtech wireless tag with the latest low energy wireless technology, version 4.0. This tag can be attached to your valuables or easily lost items through the downloadable app that will track the bluetooth tag. In unimpeded environments, this tag has a 75 foot range to keep track of your kids, pets, and belongings.

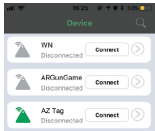

SWITCHING ON/OFF

Turn ON: Press and hold the button on the AZ Tag for 3 seconds, until you hear 2 beeps.
Turn OFF: Press and hold the button on the AZ Tag for 3 seconds, until a long beep will sound.

WIRELESS PAIRING WITH TAG

1. Download the AZ Tag app with the above QR code and open app.
2. AZ tag will automatically try and connect with your smart phone when powered ON. If the app shows the tag to be "Disconnected", connect again by pressing the "Connect" button on screen.

- * The app can track more than one AZ Tag, click the Q button to find more AZ tags to connect with.
- Hit the @ button to add a photo, rename the device, set a ringtone, etc...
- * To delete slide the tag name to the left on the device list.

LOCATION

1. If you placed a AZ Tag in your car and need to find it in a large parking lot , push the button on the tag before leaving your car. That will mark the location of your car in the app. When trying to find your car, go to the "location list" in the app and select your car to bring it up on the map with a pin-drop marking spot.
2. If the item you placed the AZ Tag on is lost, go to the "lost history" and select the item you wish to find.

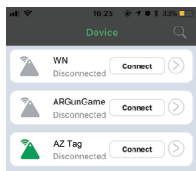

Note: To delete items on the list slide to the left and select delete.

SETTING THE ALERT

As shown in the image.

1. Double click on the desired AZ Tag to trigger the alert on the smartphone.
2. Click the red flashing button to stop the alert on the phone.
3. Click the "Alert" button to trigger the alert on the AZ Tag , click the "stop alert" to end the alert from the tag.

PHOTOS

1. Press the "Photography" button at the bottom of the app screen.
2. Press the top right and left to set the flash and which camera app will use.

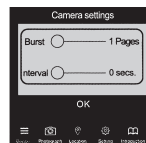

- Auto Flash
- Flash ON
- Flash Off

Switch from the front camera to the back

To change the settings on the camera mode, press the right button to set for burst shooting and time interval between shots.

* the AZ Tag can also be used as a remote for your camera phone through the app, just press the button on the tag once.

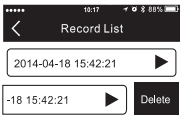

SETTINGS

In the app settings menu:

1. Do not Disturb - shut down all connected tags to the app.
2. APP password setting - protect the location of your goods with a personal password
3. Map switch: select the map service to use with this app (Google maps or Badu maps)
4. Record list - list of recorded audio stored in this app.

Press ► button to play and || to pause with a "delete" button on the right.

BATTERY REPLACEMENT

Each AZ Tag uses a Cr2032 cell battery. To gain access to the battery, use the side of a coin to twist the back battery cover to the right to open the battery cover. After replacing the battery, place the cover back on the tag and twist to the left.

FCC Information

FCC radiation Exposure Statement

This equipment complies with FCC RF exposure limits set forth for an uncontrolled environment.

This device complies with Part 15 of the FCC Rules, operation is subject to the following two conditions (1) This device may not cause harmful interference, and (2) this device must accept any interference received, including interference that may cause undesired operation.

- Warning: Changes or modifications to this unit not expressly approved by the party responsible for compliance could void the user's authority to operate the equipment.
- NOTE: this equipment has been tested and found to comply with the limits for a Class B digital device, pursuant to Part 15 of the FCC Rules.

These limits are designed to provide reasonable protection against harmful interference in a residential installation. This equipment generates, uses and can radiate radio frequency energy and, if not installed and used in accordance with the instructions, may cause harmful interference to radio communications. However, there is no guarantee that interference will not occur in a particular installation. If this equipment does cause harmful interference to radio or television reception, which can be determined by turning the equipment off on or, the user is encouraged to try to correct the interference by one or more of the following measures:

- Reorient or relocate the receiving antenna.
- Increase the separation between the equipment and receiver.
- Connect the equipment into an outlet on a circuit different from that to which the receiver is connected.
- Consult the dealer or an experienced radio/TV technician for help.

ONE YEAR LIMITED WARRANTY INFORMATION

Aztech warrants its products for one year from the date of purchase. In the event that there are defects in materials or workmanship, Aztech provides the following limited warranty:

This warranty covers any defects in materials or workmanship that are found in your new product under normal use and conditions for one year. This warranty gives you specific legal rights, and you may also have other rights which vary from state to state. This Limited Warranty is extended only to the original purchaser. Please keep a copy of your purchase receipt for verification that you are the original purchaser and to verify the status of your warranty.

Should this product fail to function in a satisfactory manner, it is best to first return to the store where it was originally purchased. Should this fail to resolve the matter and service is still required by reason of any defect or malfunction during the warranty period, we will repair your product at no charge for labor or parts, or, at our option, we will replace any defective product with the same or equivalent product. This decision is subject to the verification of the defect or malfunction upon delivery of this product to us. If service is required, please call Customer Service at (844) 545-7315 to obtain a return authorization number and shipping instructions. The cost of shipping the product to our facility for repair or replacement is the responsibility of the original owner of the product.

If we determine that certain parts of the product are damaged due to abuse or any of the conditions described above that are not covered by this warranty, repairs or refurbishment will not be covered by this warranty. We will contact you to provide you with an estimate of the charges to repair or replace the product and proceed with repair or replacement only upon your approval. There will be

a \$5 handling and postage charge for shipping the product back to the owner whether or not repair or replacement is approved. This warranty does not cover the cost of shipping this product to us for service and its return to the owner.

This warranty does not cover any damage or defect that is caused by abuse, misuse, accident, negligence, improper handling or modification of the product, failure to follow product instructions, an act of God (such as a flood), or any damage caused by situations that exceed normal wear and tear.

This warranty is valid only in the United States of America and does not extend to owners of the product other than to the original purchaser. In no event will Aztech or any of its affiliates, contractors, resellers, their officers, directors, shareholders, members or agents be liable to you or any third party for any consequential or incidental damages, any lost profits, actual, exemplary or punitive damages. (Some states do not allow limitations on implied warranties or exclusion of consequential damages, so these restrictions may not apply to you.) This warranty gives you specific legal rights, and you may also have other rights which vary from state to state.

Your acknowledgment and agreement to fully and completely abide by the above mentioned disclaimer of warranty is contractually binding to you upon your transfer of currency (money order, cashier's check, or credit card) for purchase of your Aztech product.
